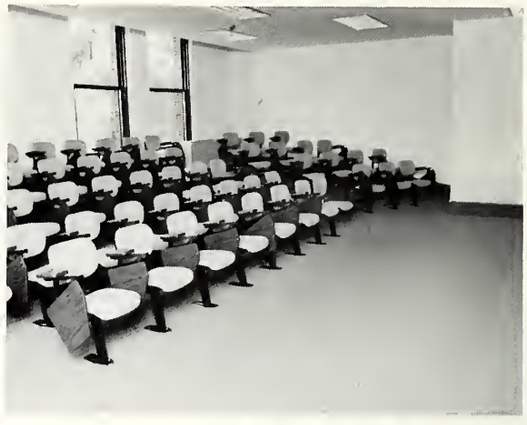
DEDICATION

President J. Roger Miller

It is our pleasure to dedicate this issue of the *Millidex* to President J. Roger Miller for helping Millikin to come "All Together Now".

Serving as President since February of 1971, Dr. Miller has completed many projects to help Millikin become what it is today. We would like to take this opportunity to thank him for his continued support and contributions to the University and its success.



SHILLING IS ALL TOGETHER NOW

Renovation of Shilling Hall was completed this summer. (A 6 million, three-year project) Interior renovation included installation of air-conditioning, carpeting, an elevator, new lighting, and multi-level classrooms.

Top, renovation in progress; top right, one of the new multi-level classrooms; middle, the lobby during renovation; left, the lobby completed.

1989
SHILLING

The former towers of Liberal Arts Hall (renamed SHILLING HALL) have become a central Illinois landmark. The Exterior renovation included tuck pointing and the installation of new windows.

Far left, the now obsolete fire escapes that connected the east and west parts of Shilling Hall. Left, the transition period of exterior renovation; below, the new Shilling Hall.

Notes From The President

Dear Students,

This edition of the **Millidex** focuses on the activities of you and your classmates as it provides a permanent record of many of the highlights of the 1988-89 academic year. From freshman to seniors, from Freshman Camp to Commencement, it's "All Together, Now" in the **Millidex** and you will find the value of your book increasing each year as time dims your memory of facts and faces.

Although memories of specific details may fade, I'm confident that you will remember this as a special year at Millikin. And it was! A record enrollment led to construction of two new residence halls, the dream of a campus-wide computer network became reality, renovations of Shilling Hall was completed, and we enjoyed outstanding performances by Millikin athletes, musicians, and thespians. Each of you also has personal achievements and experiences to add to the list.

I thank you for your role in making this a special year at Millikin. One measure of the worth of any academic institution is the quality of its students, and Millikin University is richer because of your presence.

Special appreciation goes to members of the Class of 1989 for their contributions. We've benefited from your presence. Please come back and visit us often and perhaps we can be "All Together, Again."

Sincerely,

J. Roger Miller
President

GUYS & DOLLS

The high lights and low life of New York City, 1949, came to Kirkland Fine Arts Center with the production of *Guys and Dolls,* which was presented on Sept. 30, Oct. 1, and Oct. 2, 1988, by the Department of Theatre and Dance and the School of Music.

Nathan Detroit (Frank) Scaccia, Junior) is the operator of a legendary floating craps game. For 14 years, he has evaded marrying Adelaide (Deb B. Simmons, Junior), his chorus girl fiance. Sky Masterson (Paul Hope, Senior) is a high roller who revels in his reputation as a notorious gambler and womanizer. When Nathan bets Sky that even he cannot sweep Miss Sarah Brown (Tammy Savianno, Junior), the prim mission lass, off to Havana, everyone gets more than they gambled on. The choreographer was Lynne Snyder, the director was Stephen Fiol, and the performance orchestra was conducted by James Collins.

COME BACK TO THE 5-AND-DIME
Jimmy Dean, Jimmy Dean

The cast of Jimmy Dean: (L to R) Juanita, Joe, Edna Louise, Sissy (then), Sissy, Mona (then), Joanne, Mona, Stella May.

The Disciples of James Dean are a group of middle-aged women who were teenagers in West Texas when James Dean filmed *Giant* in nearby Marfa. It is now their twentieth reunion and one of them who was an extra in the film, claims her child was conceived by Dean on the *Giant* set. That child is the Jimmy Dean of the title. *Come Back to the 5-and-Dime, Jimmy Dean, Jimmy Dean,* which was presented in Albert Taylor Theatre by the Department of Theatre and Dance Oct. 19-13, 1988, combined present-time memories with flashbacks to tell the true story. The Disciples of James Dean were Mona (Carrie Collins, Junior), Mona (past) (Wenda Shereos, Freshman), Sissy (Paige Layman, Sophomore), Sissy (Past) (Dorlissa Martin, Senior), Stella May (Anna Arms, Senior), and Edna Louise (Cindy Tegtmeyer, Sophomore). Other supporting roles were: Juanita (Bobbie Wahonick, Freshman), Joe (Karl Wahl, Freshman), and Joanne (Katee Dolan, Junior). The director was Robert Mangialardi, the scenic designer was Ken Roth. Lighting design by Martin Hughes, costume design was by Susan Johnson-Hood, and make-up design was by Vicki Rovel.

The Elephant Man

The Department of Theatre and Dance presented *The Elephant Man* in Albet Taylor theatre Nov. 16-20, 1988. Based on a true story, *The Elephant Man* is a powerful drama set in Victorian England. John Merrick (Christopher DeAngelis, Senior), whose remarkably intelligent and sensitive mind is trapped within the body grotesquely deformed by disease, is the *Elephant Man.* He is befriended by Frederick Treves (John Meyers, Freshman) — a young, brilliant, and ambitious surgeon who looks after him in his last few years — and is introduced to London society. He becomes dependent on the success his deformity brings him. He is shrewdly used for fundraising by the London Hospital that becomes his home. Victorian values are incompatible to his reality and their hypocrisy adds to his isolation. Finally, his affliction is fatal. The director was Brian Zoldessy, scenic designer was Scott Baker, lighting designer was Barry Hendrix, Costume designer was Susan Johnson-Hood, musical director was Lyn Schenbeck, and Make-up designer was Vicki Rovel.

**The Millidek Staff regrets that it could not obtain other pictures of this performance.

CHICAGO

Chicago, a musical vaudeville, was presented in Albert Tayor Theatre Feb. 22-26, 1989 by the Department of Theatre and Dance and the School of Music. Set in Chicago during the Roaring Twenties, *Chicago* tells the story of Roxie Hart, (Alexandra Bartley, Sophomore) a married chorus girl who murders her faithless lover. Roxie and her sister/fellow murderess, Velma Kelly (Beth Holum, Junior), join forces to make the most out of pre-trial publicity, hoping to enhance their stage careers and get an acquittal. Her story is told through a series of Vaudeville acts; the New York Post calls *Chicago* "As dazzling a demonstration of the craft of musical theatre as you're going to see." The Director/Choreographer was Lynne Snyder, the Musical Director was Stephen Fiol, the Conductor was James Collins, the Band Director was Stephen Widenhofer, Scenic Designer was Barry Hendrix, Lighting Designer was Jim Cimarrusti, Costume Designer was Marda Young, Sound Designer was Tom Schenck, and Make-up Designer was Suzanne Bracken.

AMADEUS

What happens when mediocrity and genius confront each other? In the case of Antonio Salieri (Robb Little, sophomore), the established court composer to Austrian Emperor Joseph II, and young Wolfgang Amadeus Mozart (Philip M. Fabry, junior), the results are tragic. Salieri is a religious and moral man who has given himself to God so that he might realize his sole ambition — to be a great composer. Mozart is foul-mouthed, graceless, and unrestrained by convention or morality, but he achieves what eludes Salieri — genius. Salieri ceases to believe in a rational universe governed by a divine plan and descends into madness. Mozart, whose career is tragically cut short by death at age thirty-five, dies in poverty and is burned in a pauper's grave. *Amadeus* was presented by the Department of Theatre and Dance April 5j-9, 1989 in Albert Taylor Theatre.

The director was Brian Zoldessy, the scenic designers were Mary Margaret Bartley and Michael Loewenstein, the lighting designer was Barry Hendrix, the costumer was Mary Spencer, the musical director was Lynn Schenbeck, and the make-up designer was Vicki Rovel.

Top: Mozart demonstrated his musical brilliance to Salieri as Constanze and the servants look on. Bottom: (l to R) Cristy Nordstrom, Robb Little, Kristina Dockins, Philip Fabry, Anna Arms.

ORESTEIA

The Oresteia was presented by the Department of Theatre and Dance April 26-30, 1989, in Albert Taylor Theatre. *The Oresteia* is the only trilogy of Greek plays in existence; it is also the oldest extant trilogy in western civilization. Written by Aeschylus and produced in Athens, Greece, in 458 B.C., the play illustrates a societal change from a primitive tribal matriarchy practicing "an eye-for-an-eye" justice to a city-based patriarchy and the evolution of trial by jury. This production uses an ensemble approach to the trilogy. The plays were substantially reworked to make the piece vibrantly theatrical for the contemporary audience. The members of the ensemble: Rachel Anderson, William Bearder, Jeffrey Bigger, Michelle Chartier, Diahanna Davidson, Chris DeAngelis, Katee Dolan, Kari Gorz, Beth Holum, Paul Hope, John King, Dorlisa Martin, John Meyers, Megan Mong, Matt Reese, Tammy Savaiana, Frank Scaccia, Kendra Smith, Corbin Soby, Julie Stemmler, Cindy Tegtmeyer, Karl Wahl, Deanna Wargo, and Molli Willing, *Oesteia* was conceived, staged, and reworked by David A. Golden and Deborah Simmons.

BIG BLUE FOOTBALL

Millikin's impressive 6-2 conference record (7-6 overall) only touched the surface of this team's powerful performances. That is, they definitely left their mark on their opponents in more than one way. Coach Poelker's intensive training season paid off; he made things happen. "The players gave it their best effort," he says. "The way the team has improved each week had been gratifying to the coaching staff. We're really proud of the players." And rightly so. Jeff Query (Maroa-Forsyth) again showed his explosive abilities. During Millikin's 55-0 blow-out victory at North Central, Query found himself in first place on the Big Blue all-time career receiving yardage list. Big Blue's Matt Snyder (Decatur Eisenhower) earned the starting quarterback position during pre-season drills, only to lose the title when he suffered a severe ankle sprain in the first half of the season opener. Freshman Rich Harvey (Mt. Zion) was there to successfully fill in the vacancy until Snyder could return to complete the season. Harvey wasn't the only freshman to defy the conventional football theory that freshman year football is spent on the bench. Jeff Forsberg (Palatine) advanced to starting cornerback role with immediate success. His plays contributed to Millikin's ranking among the national leaders in NCAA Division III rushing defense. Rushing backs Conrad Givers (Centralia) and Tony McClain (Peoria Woodruff) combined their performances to give a new meaning to the position. Millikin University's rushing offense has begun to resemble military tanks. Fullback John Arlis (Lombard Montini) successfully fulfilled his demanding position. Poelker summed up Arlis by saying, "Some fullbacks can block well, and others can run the ball well, but few can do both as well as Arlis." And so the Blazing Blue ended another season successfully. Millikin must regretfully say good-bye to fourteen senior players, but next year's team will come back stronger than ever; out of the twenty-two starting players only six were seniors. Watch out for the Big Blue of 1989!

LADY BLUE VOLLEYBALL

"We have players with real jumping ability. That makes a dynamic team." That's how coach Linda Slagell summed up this year's Lady Blue volleyball team. Jumping ability isn't the only thing they've got going for them. This team's powerful volleys and consistent serves carried this team through the season with style. Millikin's volleyball program benefited from a 2-for-1 deal when it recruited the Cambden twins, Jennifer and Sarah, from Metcalf. The two sophomores were key players this season. Jennifer had an impressive 97 kills, 10 assists, and 122 successful serves. The numbers for Sarah read; 90 kills, 11 assists, and 123 successful serves. Together they had an intimidating 117 blocks. Other prominent players were Kim Gaither, a senior from Moweaqua, Karla Kenney, a sophomore from Rochelle, Shelli LaReau, a junior from Watseka, and Hallie Pierceall, a senior from New Berlin. The players in this year's program are stronger in terms of skill level and experience. The Big Blue roster has only three upperclassmen which means this year's team depended on underclassmen. Next year they will be back stronger than ever!

BIG BLUE SOCCER

The 1988 Big Blue soccer team, loaded with twelve returning lettermen, had hoped to improve last year's 7-8 record and make this their first winning season. The 1988 schedule increased the level of competition for this young team entering only its third year of intercollegiate competition. Head Coach Dr. Bill Bodamer reasons, "Hopefully, the level of competition will help our players increase the caliber of their play." However, along with the added quality of competition came added defeats to the 1988 season.

Regardless of a losing record of 5-12 overall, 1-4 in CCIW play (five defeats by one-goal margins(, the Big Blue has nothing to be ashamed of, especially when speaking of junior midfielder David Peistrup of St. Louis (Parkway West H.S.). Although he missed the first two games due to a severe ankle sprain, Peistrup managed to tally five goals and five assists for fifteen points, the team's second leading scorer. Two of those goals sparked a Big Blue rally in a 6-5 overtime win at Illinois Wesleyan, the Big Blue's most dramatic win in three year's of intercollegiate play. Peistrup, also an elected co-captain, "takes his responsibilities seriously," Bodamer said. "He's a player that we look to when we need something done." Peistrup was also chosen the team's MVP for the second consecutive season and was named to the CCIW soccer all-conference second team.

Other team leaders: Goals — Michael Thomas with 10; Assists — Peistrup with 5; Total points — Thomas with 20; Saves — Chuck Camillo with 69.

As for next year, the Big Blue Soccer has a lot to look forward to. They will be losing only three senior members while fifteen lettermen will be eligible to return.

Third row (l to R): Statistician Tahnee Ahlvers, Head Coach Dr. Bill Bodamer, Chris Klawitter of Steger, Rick Rush of Geneva, David Peistrup of St. Louis, Fred Hickman of Little Rock, AR, John Roth of Godfey, Peter Obermann of Hoffman Estates, Joe Tolan of Collinsville, and manager Paul Wirth. Second row: Chris Walsh of Hoffman Estates, Jack Klawitter of Steger, Chuch Camillo of Collinsville, Richard Wallace of Decatur, Jimmi Brookhart of Springfield, Michael Thomas of Decatur, Brian Lebeck of Clarendon Hills, and trainer Robin Harris. Front row: John Tarrant of Arlington Heights, Jeff Kiermas of Algonquin, Michael Baird of Hudson, Todd Shaub of Taylorville, Mark Merry of Mt. Zion, and Trent Wilkinson of Decatur. Captain Cyndi Wells, All-CCIW and All-State runner and MVP for the 1988 season.

Millikin's women cross-country team looks much more impressive in real life than on a stat sheet. Depending on which side of the fence you are standing on, cross-country is either an individual or team sport. Big Blue's Coach Don Luy's views place him squarely on the fence. He concentrates on individual improvement, ultimately improving the success of the whole group. Captain Cyndi Wells, a junior, was one Lady Blue who definitely carried her weight this season. Wells, a graduate of Plano High School, earned All-State and All-CCIW conference honors. She finished second in the Illinois State Division III Meet with a time of 19:01 over the three mile course, the second fastest ever by a Big Blue runner. She was not only named the 1988 team captain, but also one of Millikin's most valuable performers in their respective sports. Behind Wells, freshman Lisa Wiser's (Marshall) consistent strides brought her a successful season. Lisa improved her overall time by more than two minutes, a substantial development. Another prominent runner from this year's team was Peggy Brennan, a sophomore from Mt. Prospect. This young determined team will all return next year, anxious to mark Big Blue's brand on the records.

BIG BLUE MEN'S CROSS-COUNTRY

Back row (L to R): Coach Don Luy, Tim Stout of Decatur, Jerry Yockey of Shelbyville, Bob Bergland of Mendota, Chad Scheer of Maquoketa, Iowa, and Steve Seifert of Divernon. Front row (L to R): Andy Larson of Rockford, Adrian Angel of Warrensburg, Darren Voth of Plainville, Pat German of Decatur, and Tom Mueth of Mascoutah. Not pictured: Mike Moore of Clinton.

Determination is the key word to cross-country, and this year's men's team proved they have it. Their extensive training allowed them to greatly improve their times and to realize that there is a lot more to cross-country than just placing. Their strenuous physical and mental preparation paid off in the September 3rd LIncoln Land Invitational where the Blazing Blue captured a 2nd place finish. Leading the pack was junior Pat German of Decatur. Pat was named MVP for the 1988 season and an All-state runner. Bob Bergland also made considerable contributions to this year's team. Bergland, a junior from Mendota, was the MVP in 1986, but was hampered last season with a stress fracture and German moved to the fore, earning honors as co-MVP for the 1987 season. In high school, Bergland was team MVP, captain, and all-conference in both track and cross-country.

When Coach Don Luy talks of the one-two punch, he is not referring to boxing, but to runners Bergland and German. This season, the two ran together, placing thirty seconds apart in the Millikin Classic, earning third place for the team, only two points behind Illinois Wesleyan. Luy commented, "The thing that makes Pat and Bob excellent runners is that they know whether the pace is too slow or fast." Tim Stout, a senior from Decatur, sophomore, Andy Larson of Rockford, and senior, Jerry Yockey of Shelbyville all had impressive performances this season. The potential and determination is definitely there for next year, but first they must sadly wave farewell to seniors Stout, Yockey, Steve Seifert, and Chad Scheer.

WOMEN'S

Millikin's Women's Tennis Coach Diane Richards was not given an easy task this season. She had to say farewell to the top four singles players from last season. Richards rebuilt her squad around six returning letterwinners, who faced the challenge of filling the shoes of their talented predecessors. Leslie Gilbert, a 5-8 senior from Charleston High School was a key player this season with a winning record of 9-8 in the No. 4 singles position prior to competing in the College Conference of Illinois and Wisconsin Tournament. Richards comments, "Leslie is a steady, consistent baseline player. She's extremely patient and rarely beats herself." Cindy Messenger, a 5-3 junior from Wauconda, was another major contributor to the team. Messenger was named the most improved player for the year, moving up from the fifth and sixth singles positions to the primary No. 2 spot this year. The most impressive player and a newcomer to the squad was freshman Amy Burrows of Olney. Burrows rapidly established her spot on the team by earning the No. 122 singles position heading into the season and maintaining it throughout the entire schedule. Richards noted, "It's really hard for a freshman to walk in and play number one singles, but Amy has handled it well." In addition, Burrows and Messenger together played the number one doubles position all season long, finishing with a 5-9 record overall. This team's consistent serves and powerful returns earned the squad a 2-10 dual record. However, they were unable to duplicate last season's fourth place finish in the CCIW meet. But that's not the important element of the game according to Richards. "Either way, our players have had a fun season."

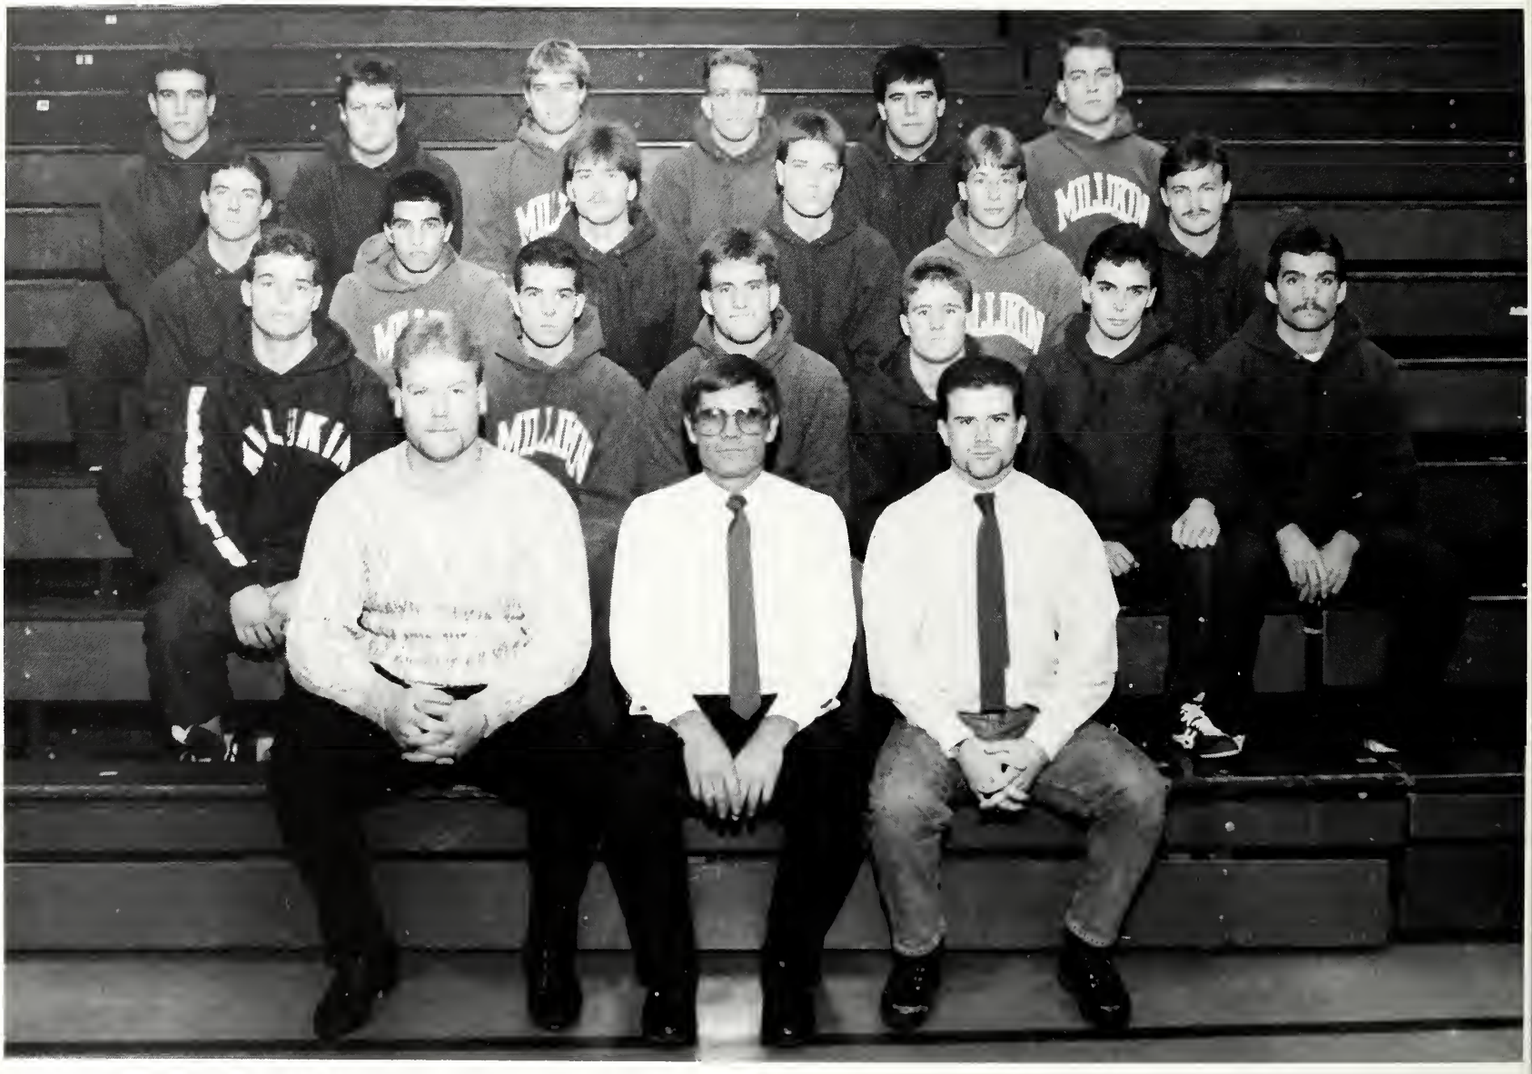
BIG BLUE WRESTLING



Millikin's wrestler Tom Mahoney of Lombard had an enjoyable weekend at the NCAA Division III national championship in Cleveland, Ohio.

Mahoney, a 190-pound senior, finished seventh to earn All-American honors. He also was named Scholastic All-America by the Wrestling Coaches Association.

Sophomore Mike Mackowiak of Tinley Park (Andrew) had a 1-2 record at 126 pounds, falling one win shy of earning All-America honors. Mackowiak finished the season with a 31-8 record.

Mahoney was 3-2 in the two-day competition to finish with a 35-4-1 season record, which tied the school record for single-season victories. It was the second trip to the nationals for Mahoney who had a 1-2 mark there last year.

The Montini High School graduate is one of three wrestlers at 190 pounds chosen for Scholastic All-America honors.

Both wrestlers advanced to the national meet by virtue of winning College Conference of Illinois and Wisconsin championships. Millikin had its best season in 10 years, finishing second at the CCIW meet and 11-5 in dual meets.

BIG BLUE WOMEN'S BASKETBALL

Millikin's Coach Lori Kerans feels her team got a taste of NCAA post-competition this season. Next season, she's hoping the big blue can take a big bite.

Millikin captured a share of its first College Conference of Illinois and Wisconsin championship, won 14 of its last 15 regular-season games, finished with 20-7 record and participated in the NCAA tournament for the first time since 1985, when Kerans was a senior player for the Big Blue.

"At the start of the season, I was not sure what to expect from our team," Kerans said. "I was extremely pleased with the way the team developed over the course of the season. We really hit our stride during that winning streak late in the regular season."

Millikin scored an average of 90.8 points per game in its last five regular-season games. Leading the scoring parade were sophomore forward Kris Porter of Paris and junior forward Betty Ray of Decatur.

"Betty and Kris had superb seasons," Kerans said. "They repeatedly came through with big plays. Both of them have gotten better each season and I can't wait to see what they'll do next season."

Other double-figure scorers were junior guard Terri Schrishugn of Decatur (Niantic-Harristown) and sophomore guard Molly Morrison of Naperville (North). Schrishuhn averaged 11.7 points per game and Morrison averaged 10.4 points.

BIG BLUE MEN'S

"That's just the way the ball bounces." That's the only excuse the opponents could come up with as Millikin's men's basketball team rolled over them. Big Blue Coach Joe Ramsey led them through this successful season with an impressive 20-5 record. But that is just the tip of the iceberg. This team's starting line-up was loaded with experience, power, and determination, including four seniors and one junior.

Foremost among the veterans was captain Brian Horst, a senior from Litchfield. Horst led this year's team in scoring with an average of 18.5 points per game and finished his career as MU's ninth all-time leading scorer with more than 1000 points. He was also named 1988-89 MVP and the team's best defensive player for the fourth successive year. Horst was selected for the GTE Academic All-District for the third consecutive season, most valuable player in the California-San Diego Tournament, College Conference of Illinois and Wisconsin Player of the Week twice this year, and the second five All-CCIW for the second consecutive year following his third team selection as a freshman. In addition, he has been among the national leaders in three-point field goals. To sum up the work of this 6-foot-2, 190-pound guard, Coach Ramsey says, "Brian's total game is remarkable. He does so much in every phase of the game."

Other returning starters were 6'5" senior Jeff Bottorff, a forward from Cissna Park, and 6'6" senior Steve McKenzie, a center from Decatur (Stephen Decatur). Bottorff averaged 7.9 points and 3.9 rebounds per game, while McKenzie tallied 9.3 points and 4.7 rebounds. Of these two men Ramsey comments, "With Bottorff and McKenzie, we should be able to play the physical game underneath the boards to get the rebounds. Those two players exemplify the character of our team which

BASKETBALL

plays very hard every night." McKenzie also received the award for the season's best field goals percentage with 55.7% from the field. Other award winners were Ron Martin, most assists. A junior guard, Martin tallied 103 assists and averaged 8.2 points per game. Mike Slapak, a senior from Lexington with the most rebounds and the best free throw percentage. Slapak had 176 rebounds, 6.5 per game, and shot 77.4% from the line. He also averaged 14.9 points per game, including a career high 38-point game at Aurora, the most by a Big Blue player since Ramsey was named coach in 1975. Slapak was another of the second-five All-CCIW selections.

In looking forward to the 1989-90 team, one can be quite certain that freshmen Jeff Thompson of Teutopolis and Doug Alberson of Kinmudy (Kinmudy-Alma) will be an important part of the plan. Each played a big part of the junior-varsity schedule and managed to log four minutes of varsity play. "In m,any seasons, Thompson and Alberson would have seen more action with the varsity," Ramsey said, "but this was an unusual season with so many seniors ahead of them." Alberson, a 6-3 forward who averaged 11.2 points per game in JV play, and Thompson, a 6-5 center with an average of 14.8 and the JV MVP award, along with the incoming freshmen, have a good start in filling the big shoes that were left behind by the graduating Big Blue players.

All good things must come to an end. But Millikin's swim team is defying this well-known theory. The men's and women's teams both had successful seasons this year with dual records of 9-1 and 6-3 respectfully. The men's team began with a streak of 35 consecutive victories in the individual races. In fact, the Big Blue Men's team placed sixth in the NCAA Division III Championships, their highest finish ever. The women's team, although not quite as successful, has abundant talent. Millikin's swim coach Tony Young led both teams through the season with style. Young, 1988 National Coach of the Year, carried the teams through vigorous pre-season training which allowed them to perform with strength and consistency. Ron Kurza, a senior from Darien, and Michelle Bostic, a senior from Danville, definitely made waves this season. Kurza earned All-American honors in two individual events and three relays last year and came back this year to win the 50- and 100-yard freestyle events at the CCIW Championships. Although Kurza is talented in several different areas, freestyle sprints are his specialties. Michelle Bostic — well, where does one begin? This summer has the strength and style to perform successfully in any swim event. She finished first in five individual events and two relays in the CCIW Championships; she was named most outstanding swimmer at the North Central Invitational, and was awarded the Millikin University's M Award.

BIG BLUE WOMEN'S TRACK

Millikin Women's Track Coach Linda Slagell understands the old adage about learning to crawl before you walk. "We're still in the growing stage," says Slagell. "I'm pleased with the amount of talent we have on the team. I want each person to find an event she enjoys and work hard at it." This her second year coaching, Coach Slagell focused on improvement by her squad, rather than a possible conference championship: "Realistically, we're not going to compete for the conference championship. We're looking for steady improvement from the team and to break some school records." And that is exactly what the Big Blue women did this season.

Junior Cyndi Wells of Plano and sophomore Kira Lasco of Peoria (Dunlap) were chosen team most valuable performers for the 1989 season. This was the second successive track MVP award for Wells, who also was the cross-country MVP for the 1988 fall season. She finished fifth in the 800- and 1500-meter runs in the College Conference of Illinois and Wisconsin meet which was held May 5-6, at Carthage College in Kenosha, Wisconsin. Wells also won the 1500 at the Millikin Open (April 1) and both the 800 and 1500 at the Greenville Invitational (April 15). Lasco finished third in the 400-meter hurdles at the CCIW meet with a time of 1:10.04, breaking her old school record set last year. She also received fifth place in the 100-meter hurdles at conference, the second year she has placed in the top eight. Lasco also won both events at the Millikin Open and Greenville Invitational.

Sophomore Sara Clark and freshman Jeni Rothe were named most improved. Clark, a non-traditional student, has run thousands of miles in a straight line. This track season she learned to run in circles. As a first year track runner, most of Clark's experience came from marathons and road races. She lowered her times in the 5000-meter run with each race, resulting in a personal best of 19:29.4 at the CCIW meet, good for fifth place. Rothe, a 300-meter hurdler in high school, made the adjustment to the 400 hurdle race quite well. She finished fifth in the conference with a personal best of 1:12.77, chopping 15 seconds off her time since the season opener on April 1.

Senior Judy Eschman of Collinsville was chosen for the Commitment Plus Award, given to the team member who always tries her best, willingly gives support to the other members, and participates for the love of the sport. She narrowly missed the school record in the 400-meter race, finishing sixth in conference with a time of 1:02.58. However, Eschman, Wells, and Lasco, along with freshman Melissa Podowicz of Clifton, set the school record in the 1600-meter (mile) relay with 4:19.56 at the CCIW meet.

All of these performances assisted the team in obtaining a fifth place finish in the conference. With Eschman as the only graduating senior, the Lady Blue tracksters look very promising for the 1990 season.

BIG BLUE MEN'S TRACK

If you're looking for glitter and glamour, check out Broadway, but for the no-frills blue-collar atmosphere, check out Millikin's men's track team. Coach Don Luy said his team is not loaded with superstars, but features a group of people who work hard, "Everyone committed themselves to an off-season weight-training program and the results were evident in pre-season practices," Luy said. Luy praised the leadership of veterans such as Kevin Holeton, a junior from Machesney Park (Loves Park Harlem). Holeton finished third in the discus and eighth in the shot put at last years CCIW championship meet."Few people can throw with equal success," Luy commented. This season, Holeton improved to a second and sixth place finish in each respective event.

The lineup of sprinters was weakened with the loss of Jeff Query, an All-American and the first place finisher in the 100-meter at conference last season. Query opted to concentrate on a possible career in pro football. Despite this loss, his place was filled quite successfully by sophomore Geoff Schoonover of Bloomington. "Schoonie" also finished first in the 100-meter race at the CCIW meet in 11.46.

Although Luy had hoped to finish in fourth place at conference this year, the Big Blue were only able to come up with sixth place. Hopefully next year will prove to be more successful.

The success of Millikin University's softball pitchers this season indicates that they learned well from pitching coach Larry Lagerhausen.

Millikin's Sheri Timmons of Mt. Zion and Shelley Smith of Kincaid (South Fork) were selected as the two pitchers on the College Conference of Illinois and Wisconsin all-South Division team.

They led the Big Blue to a 28-8 record and helped them land an invitation to the NCAA Division III national tournament for the second successive year. Millikin competes in the West Regionals this weekend at Simpson College, Iowa. The double-elimination tournament begins Friday at 1 p.m. with Millikin playing Central (Iowa), and concludes Saturday.

This is Lagerhausen's second season as pitching coach and the sophomore from Woodstock has contributed knowledge and enthusiasm to the team, according to Big Blue coach Bryce Boston.

Timmons, a sophomore, set a school mark for career victories in her first two seasons. She took a 15-5 record and a 0.87 earned run average into the national tournament and was named MVP in the CCIW South Division.

Smith, a junior, completed her first season as a collegiate pitcher with a 13-3 record an 1.93 ERA.

Millikin had the second lowest team ERA in the conference. And the Big Blue's hitting wasn't too shabby either with a .305 team batting average.

Leading the team entering the national tournament was Denise Fogle of Montgomery with a .410 average. She was followed by Meg McKellar of Vandalia, .379, and Erin Whitley of Charleston, .300.

Millikin University shortstop Tony Thomas of Decatur doesn't call himself "The Natural," yet hitting is second nature for him.

The Argenta-Oreana High School graduate is among the top hitters in the College Conference of Illinois and Wisconsin. He had a .329 season batting average after 25 games and was sixth in conference hitting with a .464 average in league games.

"There's no question that Tony can hit the ball," said Big Blue coach Galen Woods.

In the field, Thomas is playing out of position according to Woods, but gracefully accepted the challenge.

"Tony does not have a rifle arm so he has to play the hitters more shallow than the position used by most shortstops," Woods said. "It's a tough adjustment, but Tony's done the job. He's a good player."

The 5-foot-9, 150-pounder played six positions in two seasons at Lincoln College, before transferring to Millikin last fall. He led Lincoln with a .304 average as a freshman.

In high school, Thomas twice was named to the all-area team. He shared Argenta-Oreana's most valuable player award as a senior with current teammate Doug Boyd of Argenta.

Thomas could be called into duty as emergency catcher if anything happened to starting catcher Bob Hawkins of Warrensburg, said Woods.

Hawkins, a 5-foot-8, 185-pound junior, has earned high praise from the coach.

The Warrensburg-Latham High School batted .261 in his first 19 games and led the team with three home runs.

Hawkins hit .337 last year and was named the team's most improved player. Despite a lower batting average he has continued to improve this spring thanks to weight training and blossoming confidence, said Woods.

BIG BLUE GOLF

In what's becoming a traditional end to the season, Millikin University's golf team makes a sixth straight appearance in the NCAA Division III national tournament May 23-26.

The Big Blue earned an invitation to the 72-hole tournament in Panora, Iowa after finishing in the top three in 10 of its 11 meets this season. Millikin won the Rhodes Invitational, Knox Invitational, Millikin Intercollegiate, Big Blue Classic and a seventh successive College Conference of Illinois and Wisconsin Championship.

Beck, a senior co-captain, led the team with a season average of 76.8 shots per round and finished seventh in the CCIW. Schage won his second CCIW championship to become the second person in school history to capture two conference titles.

A total of 120 participants competed in the tournament, including 20 from district five, which includes Millikin.

ALPHA PHI ALPHA

The Men of Alpha Phi Alpha, front row, left to right: Lorne Sturdivant, Josh Gillespie. Row 2: Ron Broaders, Maurice Brown, and Umana Essien.

On December 4, 1906 at Cornell University in Ithaca, New York, the idea of Alpha Phi Alpha was born with the diligent help of seven young men. It came as an evolution, through trial and struggle. It was spontaneous, but gradual in its growth. The designation, "club," "organization," "society," preceded the term fraternity. Alpha Phi Alpha was the first national intercollegiate Greek fraternity established for black college men. Since the fraternity's founding, over 80,000 men have been initiated. Alpha Phi Alpha was brought to Millikin University in 1973. Presently there are eight Alphas that attend Millikin, trying to uphold the high standards of A Phi A. These gentlemen are: Maurice Brown, Lorne Sturdivant, Josh Gillespie, Ronald Broaders, Umana Essien, Mylas Copeland, Cornelius Crisp, and Dennis Rose.

ALPHA TAU OMEGA

Alpha Tau Omega was founded nationally in 1865. The chapter here at Millikin was granted a charter in 1975. In the past year ATO was involved in several philanthropy projects. In the fall they held their first annual "Closest to the Pin" contest which raised money for Special Olympics. In the spring they participated in a clean-up at DOVE, a home for abused women and their children, and in the Special Olympics track meet held at Millikin. In the 1988 Greek Week Competition the men of ATO took first place in the skit competition, and in the 1988 Homecoming Competition they placed first in games. Alpha Tau Omega is very confident in its campaign entitled "Visions 89". This project holds many achievable goals set by the house, one being the interior renovation of the house to be finished by the fall of 1989.

SPRINGFEST 1989

M.U. Rides the Wild Surf

This years Springfest games were almost cancelled due to cold weather. Co-chairs Donna Casey and Lori Cheek were determined that the games would be played. On May 6, 1989, three teams (the New Jack Terminators, APO and A Phi A) braved the snowy skies for a day of wacky games.

APO tries their hardest at the highly technical balloon toss.

The teams walk around and warm up for the next event.

A Phi A shows us a winning mummy wrap race. This team was also this years as well as last years overall winner.

Left, APO gives it their all in the mummy wrap race, but all this effort only gives them a third place finish in this race. Below, A Phi A and the New Jack Terminators go head to head in beach volleyball.

The overall games end up with A Phi A in first place, APO in second place, and the New Jack Terminators in third place. Though it should be noted that the Co-chairs and judges of the games made a terrible mistake in tallying points. Out of 7 evenly weighted events, the New Jack Terminators came ahead of APO in 5 events. Though the Co-chairs refused to reverse their decision, it's plain to see the New Jack Terminators (left) fairly deserved second place.

Not pictured: Tim Miller — 1st vice president, Tricia Cox — secretary.

Circle K promotes leadership, fellowship and service projects on campus as well as in the Decatur area. Circle K is a Kiwanis affiliated service organization, and is looking for students who want to give some quality time and love to help the needy in this community. According to Dr.Meyer, one of the advisors, the club was first active on Millikin's campus in 1973, but because of low membership, became inactive. Last year the local Golden K Kiwanis Club of Decatur and the Decatur Noon Kiwanis Club co-sponsored the present Circle K to be started at Millikin. According to Meyer, there are four reasons why Millikin students should get involved: First of all, the interaction with local Kiwanis members can help with developing cross generational relationships. Secondly, the club will provide interesting speakers from the business community and the local Kiwanis Organizations to help the students receive a broader education. Being a leader or active member in Circle K could also help a student get a job after graduation. Lastly, the association with the local Kiwanis members and speakers could result in future employment. If you are interested, contact one of the members of either of the advisors.

Hospitality Corps

The advisor for Hospitality Corps is Jan Devore. "Where are the pictures?!!", fumes Keena and Christy, "They were suppose to be ready yesterday." Keena and Christy give each other a confused look.

And so continues our daily catastrophes dealing with the Millidek. It's a wonder we managed to publish the book on time. But the important thing is it's ALL TOGETHER NOW, in your hands, to cherish forever. We really did work hard to make this yearbook the best yet.

We have enjoyed bringing you the Millidek '89. We inherited a whole yearbook with only a cover and a theme at the end of January 1989, but some how we have managed to meet all of the deadlines and get this book to everyone on time. (Those last two words are usually foreign to the Millidek.) We also had an excellent staff who probably thought that we were the wicked witches of the west when we were meeting deadlines, but we thank them for their dedication. Then we had a few staff persons that could care less if the book got out before the turn of the century. To you we say, "Ha ha. We did it without you!" To all of the readers of this yearbook, we hope that you enjoy this ALL TOGETHER NOW Millidek '89.

Sincerely,

Keena Bradbury

Millidek '89

Left: Lisa Aschinger (Class Editor), Lori Cheek (Lifestyles Editor), Monica Pope (Organizations), Jeni Rothe (Sports).

Lisa worked with Jenny Munson to get all the class pictures done on time. Lisa is a Freshman from Streator, Il. Lori is a Sophomore from Metamora and worked above and beyond what she was asked to do. She helped to complete other section besides her own. Monica is a Freshman from Decatur. She worked with Juli Montgomery, a Freshman from LaPorte, Indiana, to finish their section. Jeni Rothe, a Freshman from Mt. Vernon, worked with Christie Foster, also a Freshman from Mt. Vernon. Jeni takes credit for the lay-outs and some of the stories while Christie takes credit for most of the stories.

Middle: Jenny Munson and Angie Pennington. (Activities)

Again, Jenny worked with Lisa on the Classes. Angie, a Freshman from Chicago, worked with Ellen Nation, a Freshman from Pittsfield, to finish up their section.

Lower: Chad Scheer (Photographer)

Chad, a Senior from Maquoketa, Iowa, worked with David Smith, a Freshman from Winnetka, to snap many pictures for us to use in the book.

The rest of the staff was not available to have their picture taken, but they still deserve thanks for all their help.

We hope you all enjoy the book that we have put together.

THANKS FOR ALL YOUR HARD WORK!!!

MISSING GROUPS

Unfortunately the Millidek was unable to get pictures of these groups.

ALPHA PSI OMEGA

Alpha Psi Omega is a national drama honorary open to all students. Persons qualify through participation in theatrical productions.

PHI ALPHA THETA

Phi Alpha Theta, an international history honorary society, was installed as the Sigma Pi Chapter at Millikin in 1971. The society recognizes excellence in history and acts as a professional organization by promoting history through encouraging research, teaching excellence, publication and learning exchange.

PI KAPPA LAMBDA

Pi Kappa Lambda is a coeducational national honorary music society, restricted to the upper five percent of the junior class and the upper 10 percent of the senior music majors. Pi Kappa Lambda recognizes superior musicianship and high academic attainment.

ALPHA EPSILON RHO

Alpha Epsilon Rho encourages and rewards scholarship and accomplishment in the arts and sciences of broadcasting. It serves as an outlet for dissemination of information about the broadcasting industry.

AMERICAN CHEMICAL SOCIETY

The American Chemical Society provides an opportunity for chemistry students to maintain a professional association and develop professional pride in chemical sciences.

MEDICAL TECHNOLOGY ASSOCIATION

In order to develop a better understanding of vocational goals and interrelationships of the medical technology profession, the Medical Technology Association provides information, speakers and programs.

MILLIKIN STUDENT EDUCATION ASSOCIATION

This group draws its membership from students who are preparing to teach.

PHI MU ALPHA SINFONIA

Phi Mu Alpha is a national organization of male students who have selected music as their profession or otherwise are actively engaged in the advancement of music in the community.

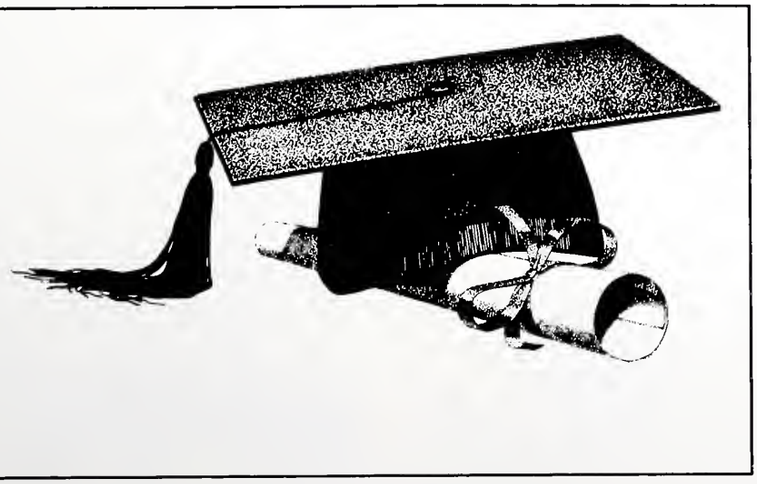
TO THE CLASS OF 1989



1989 EIGHTY-SIXTH ANNUAL COMMENCEMENT

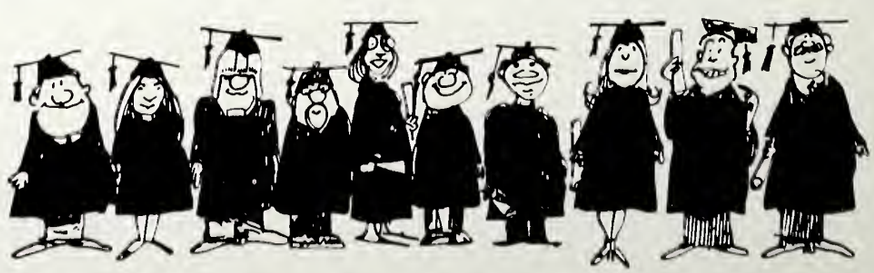
Debbie Miller-Knerr and Bob Gorski at the Lawn Reception for graduates and their families.

As another year passes through Millikin, so does another class of fine graduates. On Sunday, May 21, 1989 at 2:00 pm the eighty-sixth class of graduates passes into the alumni status. The weekend started out with the Lawn Reception at the home of President and Mrs. J. Roger Miller. Graduates and their families were invited for an afternoon of hors d'oeuvres, friends, and families. Saturday night brought the Millikin Choir Reunion Concert in the Kirkland Theatre.

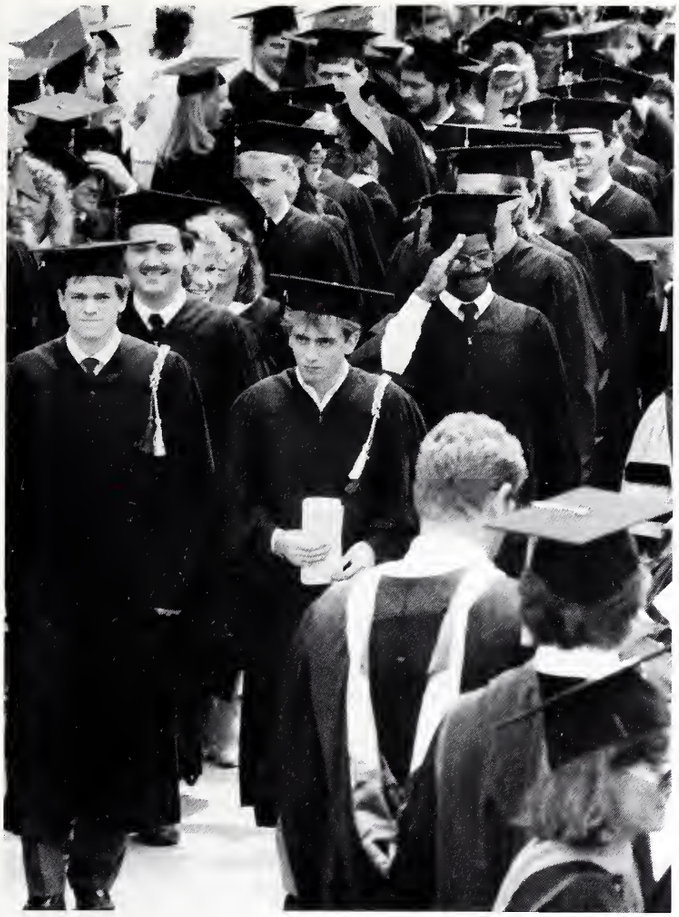
Sunday came with the sun shining and the graduates ready to go. At 10:00 am the Baccalaureate began in Kirkland Theatre. Following the baccalaureate, the procession moved to Fairview Park Pavilion for the Commencement ceremony. This year hosted another record class for Millikin. 362 students walked down the isle to receive the diploma.

The faculty procession was led by C. Richard Decker, Ed.D., and Charles E. Hale, Ph.D. The student procession was led by Eric C. Beguelin and Robert M. Keenan. The commencement address was delivered by the honorable Paul Simon, who later received an Honorary Degree — The Degree Doctor of Laws, with Wayne W. Krows. During the ceremony, President J. Roger Miller thanked Thomas Butler for his time with the university. Mr. Butler is retiring this year from his position in the Learning Resource Center. Also retiring this year is Wayne W. Krows, who was also recognized for his services as V.P. in University Relations. Following the Conferring of Degrees, Senior Class Chair, Ronald A. Kurza, Jr. led the class in the Tassel Ceremony. The Class then recessed to Allegro from the "Water Music Suite" as another group of fine students entered into the alumni status.

Parents and graduates enjoy a nice spring day at the home of President and Mrs. J. Roger Miller.



GOOD LUCK TO ALL OF YOU IN YOUR FUTURE FINDINGS!!

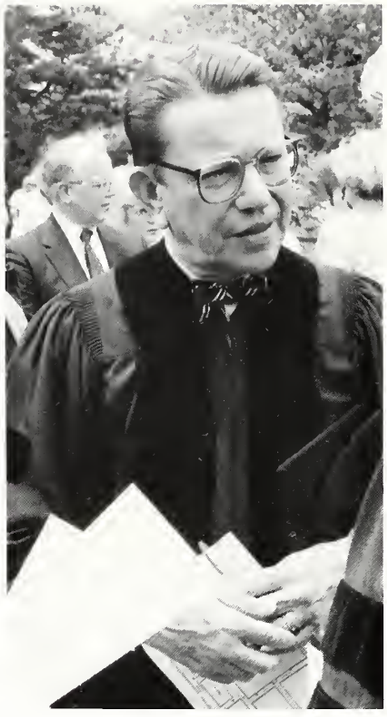


Eric Beguelin and Rob Keenan lead the procession to begin the ceremony.

Laura Nelson gets some help from the finishing touches.

Who is that graduate behind the dark glasses?

The socializing of the many students and faculty before the procession.



Senator Paul Simon was the honorable graduation speaker.

Picture perfect graduates — Karyn Schwab, Lisa Wojcik, Jackie Siwek, Chris Rittenhouse, and Laura Nelson.

A speeial hug for a speeial graduate!

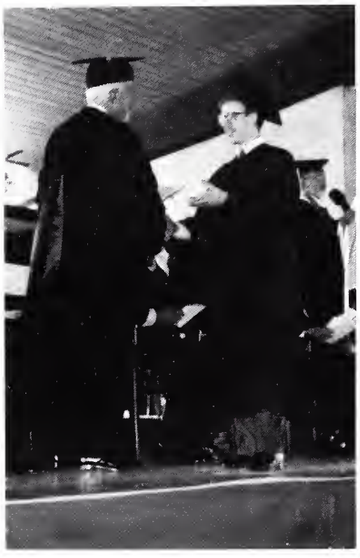
WAY TO GO, TERRY!

Lisa Marusarz receives her diploma.

Awaiting graduation — Jim Paluga, Judy Eshman, Jane Colburn, Greg Jansen, Jeff Bottorff, Dan Johnston.

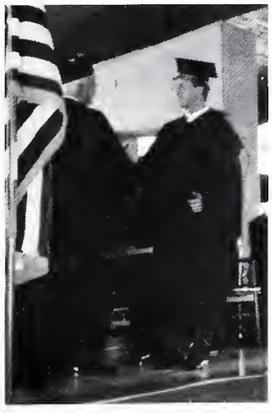
Families came to watch their graduates. (Jacque Lynn Mathews and Family)

Graduates anxiously await the ceremony.



Jared Skorburg in his proud moment.

Old friends return for new graduates (Joel Edwards and Eric Thomas)



Chris DeAngelis receives his diploma.

You're finally finished, guys! (Steve McKenzie, Phil Feinsot, and Rob Schaefer)

ON YOUR BIG FETE!

Graduation!

THANK YOU

I would like to take this opportunity to thank those people who personally helped me to finish the 1989 MILLIDEK.

Pat Sleade, I thank you for being there every day, hour, or minute that I needed you. Phone calls, paper clips, the copy machine, and messages seemed to be 'no problem' whenever I asked. THANKS!

Charlene Eddington, I thank you for promptly getting messages and requests to ***Reggie Syrcle*** and ***Ray.***I know you probably got tired of seeing my face so much, but thanks for not telling me. THANKS AGAIN!

Thanks to all of the ***section editors*** who did their section, but a special thanks to the ***section editors*** who did their section **ON TIME.** You know who you were, so pat yourself on the back. THANKS!

Jeannine Harper, I thank you for sharing our room with the MILLIDEK. The Millidek almost had as much stuff as we did! THANKS AGAIN!

Mr. Joe Houston and Bob Donnelly, thanks for your great support, thanks for all of your helpful advice, and most of all, thanks for being there whenever I needed you. THANKS SO VERY MUCH!

And most of all, I thank you ***David C. Scruggs Jr.*** for being there for any and everything. THANKS AGAIN!

I really appreciate everything,

KEENA M. HURT BRADBURY

At this time, I would like to also thank those people who helped me to survive the semester as Co-Editor. Many of my thanks may echo Keena's, but are equally important.

Dean Joe, thanks for giving me the opportunity to work on this book. Thank you for all your support and encouragement.

Bob Donnelly, thanks for putting up with my lack of knowledge. Without you there to answer my questions, figure my type set and teach me lay-outs, I would have never made it.

Pat Sleade, you are a Saint! Thanks for relaying messages, changing appointments, and putting up with us during this production. Where would we all be without Pat?

To all the staff, thank you for putting in your time and effort on the book. You all took time out of your busy schedule to help us and I really appreciate it! I also thank those of you who put in the extra time to finish work others neglected to do. You all know who you are so, THANK YOU, THANK YOU, THANK YOU!

Kathy Swihart, thanks for putting up with me in your apartment and for listening to me *all* the time. You're a super friend and pal!

To the people in ***University Relations,*** thanks for getting all the pictures and for putting up with us as well.

Finally, ***Rob Schaefer,*** thank you for being there and listening to me! I really do appreciate you! THANKS!

Thank you all for everything,

CHRISTY COYE
